About Us

Every great transformation begins with a single idea. A powerful idea has the ability to inspire innovation, reshape industries, and create a lasting impact on generations.

In 2016, **UNIVENTIS MEDICARE LIMITED** was founded with one such vision—to deliver high-quality, affordable, and innovative generic pharmaceutical solutions that improve lives across the globe. What began as a single spark has grown into a trusted pharmaceutical company, driven by excellence, integrity, and an unwavering commitment to healthcare.

Over the years, Univentis has established a strong global presence in **more than 20 countries**, earning the confidence of healthcare professionals, business partners, and patients through consistent quality, reliability, and customer-centric solutions.

Our manufacturing network comprises **four state-of-the-art facilities located in Baddi, Himachal Pradesh**, one of India's leading pharmaceutical manufacturing hubs. These facilities operate in compliance with international Good Manufacturing Practices (GMP) and are regularly inspected and approved by globally recognized regulatory authorities, including **WHO-GMP, EU-GMP, ISO**, and various international health agencies such as **NAFDAC (Nigeria), PPB (Kenya), NMRA (Sri Lanka), Cambodia, Myanmar, Afghanistan, TFDA (Tanzania), FDA (Ghana), FMHACA (Ethiopia), Uzbekistan, Vietnam**, and other global regulatory bodies.

At Univentis, quality is not merely a standard—it is our foundation. We are committed to addressing unmet medical needs by combining scientific expertise, advanced manufacturing capabilities, and continuous innovation to develop safe, effective, and affordable pharmaceutical products.

Our promise extends beyond medicines. We are dedicated to enhancing health, enriching lives, and building a healthier future through trust, excellence, and compassionate care.

Univentis Medicare Limited – Delivering Quality. Inspiring Trust. Caring for Life.

MISSION & VISION

Our Mission

To improve lives by delivering high-quality, safe, effective, and affordable pharmaceutical products that meet the evolving healthcare needs of patients across the world. Through continuous innovation, scientific excellence, and ethical business practices, we strive to make quality healthcare accessible to every community we serve.

Our Vision

To become a globally respected pharmaceutical company, recognized for excellence in healthcare, innovation, quality, and customer satisfaction. We aspire to touch millions of lives by building lasting relationships based on trust, transparency, integrity, and corporate responsibility.

At Univentis Medicare Limited, we believe that every individual deserves access to quality medicines at affordable prices. Guided by this belief, we continuously enhance our products, services, and processes to create sustainable value for patients, healthcare professionals, business partners, and society.

Our organization fosters a culture of innovation, collaboration, and entrepreneurship, empowering our people to challenge possibilities, embrace new technologies, and deliver healthcare solutions that contribute to a healthier tomorrow.

QUALITY

Quality is the foundation of everything we do. Every product is developed and manufactured under stringent international quality standards to ensure safety, efficacy, purity, and reliability.

Through advanced manufacturing practices, robust Quality Management Systems, and a commitment to continuous improvement, we consistently deliver pharmaceutical solutions that healthcare professionals and patients can trust.

Committed to Quality. Inspired by Innovation. Trusted Worldwide.
