Sub: - Implementation of revision in Maximum Retail Price (MRP) due to reduction in Goods and Service Tax (GST) Rates.

Dear Sir,

We sincerely appreciate your continued partnership and commitment to ensuring uninterrupted access of essential medicines to patients across India.

As you are aware that Government has decided to reduce GST rates **w.e.f 22nd Sep 2025** on **pharmaceutical products** from **12% to 5%** and **nutraceutical products** from **18% to 5%**. This thoughtful reduction in the GST rate reflects our Government's visionary approach to making essential medicines more affordable and accessible to all.

The benefit of reduction in GST rate shall be passed on the consumers/patients effective from **22nd Sep 2025** accordingly new list with new revised MRP is attached herewith and getting implemented in the invoicing process while invoicing further **22nd Sep onwards**.

As per the circular **12(24)/2021/DP/NPPA/Div.II(Vol.II)-Part 1** issued by **NPPA**, ensure the benefit of reduced MRP (**22nd Sep onwards**) to be passed on further.

Looking forward your contribution for a better growth.

Thanks and regards,

For Univentis Medicare Ltd.,
